

# Valencia

## The City of the Arts and Sciences

### ■ Day 1: Arrival Day

Arrival at the Valencia Airport and transfer to the hotel. In the afternoon guests will enjoy the highlights of Valencia by foot discovering the city's attractive old quarter such as Plaza de la Virgen with the Basilica, the Generalitat Palace and Plaza de la Reina. Guests also will be delighted with the visit to the interior of the cathedral where we can marvel at paintings by Goya, the Holy Grail and superb Renaissance frescos.

### ■ Day 2: Nature Reserve of the Albufera

An enjoyable visit to the nature reserve known as Parque Natural de la Albufera. After a short drive guests will find themselves surrounded by nature as the natural reserve comprises marshlands, woodlands, dunes and a lake. It has a high ecological value. As well as being the home of species that are danger of extinction. The marshlands contain some of the biggest rice-fields in Spain, while the lake known as

as La Albufera is a favourite stopover for migratory birds. In the afternoon a visit the Museo Bellas Artes is scheduled

### ■ Day 3: City of the Arts and Sciences

The day starts with a panoramic visit that goes by the Turia Gardens to see the bridges, Palacio de Congresos, Palau de la Música, Ciudad de las Artes y de las Ciencias. And an interior visit to the opera house known as Palau de les Arts. We complete the visit by venturing into the marine life & aquarium complex known as Parque Oceanográfico, considered to be Europe's largest; here we'll explore the marine life of the seas of 5 continents.

### ■ Day 4: Historic City Center

The last day starts discovering the interior of Palacio del Marques de Dos Aguas that includes Picasso's unique creations. The day continues with the visit to the Patriarca church and museum and calle de la Paz. Guests will take the transfer to the airport.
